COMPANY  
OVERVIEW: Founded in 1982, the Sedona Intensive is a five-day, personal growth and empowerment program that helps clients retrieve their authentic selves and tap into their inner power. With over 20,000 clients worldwide, this dynamic program continues to change people's lives. The Sedona Intensive brings people to an understanding of the limiting patterns preventing them from living their dream of personal or professional success. The Sedona Intensive will reveal, through a one-on-one process with a personal life coach, their true character.
